Dear Nestor,

I profit of Saul Yellin's kindness to send you this letter. I saw "Cuba Santa" and found it very interesting. Hope to see something else of your work - Could you please see Garcia Mesa of "Cine Cubano" and ask him to put me on his mailing list in order to receive regularly the magazine from issue # 1 on? Also, ask him to publish the enclosed article on the "New Wave" in "Cine Cubano" if possible -

I received your article and photos some time ago from Garcia Mesa. I shall talk to the Messas about it when they will be through with their current work on their film -

Write me soon, and give me your news -

I shall be glad to receive your letters -

Also, please ask Garcia Mesa to write to me -

I sent a second article to Cabrera Infante. but
no news from him - so, I am giving up for
"Revolucion" -

All the best from

George

P.S. Let me know if you need
anything from here -
