Handwritten text in a cursive script, likely from a 17th-century manuscript. The text is written in two columns, with the left column being more legible than the right. The right column contains many crossed-out or heavily scribbled-out lines. The text appears to be a list or a record of some kind, possibly related to the date 1646. The script is dense and difficult to decipher in many places due to the cursive style and the condition of the manuscript.
